DID WE CATCH YOU AT THE AUCTION?

★ PRIMARY From Page 6

In the races directly affecting Ocean Beach for State Assembly and Congress, Republican Congressman Duncan Hunter of Coronado will be challenged by Democrat Richard Hill, an El Centro College Professor.

The 78th Assembly race poses a three-way race with Democrat Lucy Killea of Mission Hills—San Diego's Deputy Mayor and 8th District Councilwoman; Republican Jerry Baker of Loma Portal—Advertising Executive and former California undersecretary of Commerce; and Libertarian Fritz Sands of Normal Heights—Systems Analyst who had been active in the Committee To Save Sunset Cliffs dur-

ing the referendum drive of April.

Jerry Baker attended the Community Forum meeting of May 27 and the Planning Board meeting of June 2 to discuss issues of concern to OBceans.

At 1:30 a.m. election night I saw Sunny Mojonnier, reasonably certain that she had lost in her race for the Republican nomination to Brian Bilbray. But the tide turned and she won. Republican Mojonnier—an Encinitas Businesswoman will oppose Democrat Dick Roe—former Del Mar mayor in the general election. Mojonnier had received a campaign contribution of \$1,000 from Atlantic Richfield Oil Company but returned it to avoid

any semblance of support for offshore oil drilling, which both Mojonnier and Roe oppose.

The issues in all three of these races will develop over the next few months and the O.BEACON hopes to publish interviews of all 7 candidates in September and October. For these are the races that our votes will have the most effect on, yet which we may hear the least about.

The Senate race between Jerry Brown and Pete Wilson will dominate the news and paid airwaves this autumn. With 10 million dollars the likely amount to be spent...it'll be the Pete and Jerry show in October.

★ HOMEFRONT From Page 7

The empty holes should be opposite each other. Drive the nail in (either the door or the jamb) so it is snug. Cut it off so 3/8" of the nail protrudes from the surface. When the door is shut the protruding pin should stick into the hole created by removing the other screw. If the hinge pins are removed when the door is closed a would-be intruder could not lift the door out.

I could go into further detail but space prohibits. If you would like more specific information please write to Home Front c/o O.Beacon, P.O. Box 7098, San Diego, 92107.
