Best Bay View Bali Hai
There's no escaping the Hawaiian theme at this longtime San Diego fixture; it's everywhere from the menu to the décor. Enjoy Hawaiian nachos, macadamia nut chicken, haole halibut and about a million more choices. The 50th state rules here by virtue of its cuisine, and its tiny place on the map be hanged. Meanwhile, the restaurant's accouterments are ever-changing in deference to Tiki art or Polynesian carvings. And the fact that the building sits smack on the water only enhances the flow of things. Mahalo!

Local Brewery

Modern Times Beer

Modern Times Beer describes themselves as an intrepid cadre of brewers, coffee roasters, and culinary wizards that began as a production brewery and tasting room in a Point Loma neighborhood. Modern Times is named after a beautifully crazy utopian community founded in 1850, and many of their beers are named after real utopian experiments or mythological utopias. Today, they are distributed throughout So. Cal, Arizona, Nevada, and the Pacific Northwest. In addition to the flagship brewery and roastery in Point Loma, they now have brewery/restaurant locations in Los Angeles and Portland, as well as a tasting room in San Diego's North Park neighborhood, and a restaurant and tap room in Encinitas. Cool huh.

Shop Local. Support Local. Live Local. Thank you for voting your favorite local business

There are plenty of businesses in Point Loma and Old Town ready to offer residents and visitors all the goods and services they desire.

Point Loma, with its iconic peninsula finger dipping into the Pacific, is home to a wealth of fabulous homespun eateries, fine-dining establishments, and sumptuous wine bars to cap off a relaxing evening together.

Liberty Station is becoming one of hottest areas for arts, entertainment, culture, and shopping, packing an extensive array of shops, markets and restaurants all into a single community.

Shelter Island, with its incredible bay views and stunning downtown panoramas, boasts some of the finest and most beautiful waterside hotels

and restaurants.

In the Midway District, discover mouth-watering barbecue, cozy cafés, sporting-goods and home-improvement outlets, and all forms of entertainment.

Old Town San Diego, considered the birthplace of California with its roots tracing back to the first European settlements on the West Coast, is packed with historic museums, stunning Spanish architecture and enough shops and restaurants to keep families busy all day.

But how do you narrow your selections with so much to choose from? Well, that's where the Peninsula Beacon can make things a little easier for

you with the latest edition of the Readers Choice Awards – the best-of-the-best in retail, restaurants and services for the Peninsula area and Old Town San Diego.

The awards in the following pages were chosen by our loyal readership, which we value. Some of the winners may already be your favorites. Others you might not be familiar with.

But now you have the consensus of fellow readers to help you decide where to shop, dine and conduct your business.
