

La Mesa COURIER BEST OF 2023 LA MESA

Congratulations to our Winners

An important part of what makes La Mesa special are the businesses — big, medium and small — that are owned and staffed by the families and people in this wonderful community we call home. These individuals work hard, day in and day out, to provide great food, drink, arts, entertainment, retail shopping, medical services, law advice, repair services and much, much more to locals and those not from the area visiting these establishments. One of the most exciting times of the year for us at La Mesa Courier is the unveiling of our “Best of La Mesa” issue, which puts a spotlight on those who are doing the very best in a wide range of categories. Each year, we ask the most loyal readers around to nominate what restaurants, entertainment venues, stylists, designers and other businesses and professionals stand out most to them. Once again, we received hundreds of nominations from La Mesa residents eager to share their thoughts on the most deserving candidates. We tally the votes, compile a

directory and send out the awards — many of which readers will see proudly displayed on the wall of restaurant or office. Some of these businesses have been there for La Mesa residents and out-of-town shoppers for decades. Others have only just begun to make an impact on the community but have obviously caught the attention of local consumers by doing things the right way time and time again. We encourage readers to hang on to the following Best of La Mesa section throughout the year. It can be a handy companion for the next time you go in search of an optometrist, a car mechanic, a doctor, a Mexican dinner, a craft brewery or just a simple coffee with friends. Should you disagree with any of the winners, we encourage you to keep your eyes peeled for next year’s ballots and vote for the BEST OF LA MESA 2024. After all, the competition is part of the fun. Congratulations to all winners and thank you for all you do for La Mesa!

Best Burger

Dukes Old Fashioned Onion Burgers

Dukes Old Fashioned Onion Burgers brings Oklahoma-style cheeseburgers to La Mesa. A single onion burger, with everything on it, including house-made pickles and pickled jalapeños. The burger patties are formed smash-burger style, meaning a ball of ground beef is pressed on a hot griddle, creating a thin, irregularly shaped patty with a high char ratio. While this style has become fairly widespread in San Diego, what makes it an onion burger is when the burger gets flipped, a big mass of sizzling, finely sliced onion cooks down between burger and flat top.

Public Square Coffee

People are busy. We spend a majority of our days bumping into one another without noticing. Our eyes are on phones and our noses in laptops, working, staying busy, and attempting some semblance of relationship. Truth is, we're not actually connecting at all. Not authentically. We believe that people need a more genuine type of contact... Something real. Public Square is a place for exactly that: a place to see and be seen, a place to hear and be heard, and a place to serve and be served. We will do this in three ways: coffee, culture, and cause.

Best Wine Bar

San Pasqual Winery

San Pasqual Winery is a small, family owned winery located in La Mesa, California – about 15 miles east of San Diego. Although the namesake dates to the 1970's when it was located in the San Pasqual Valley, the winery was later "reinvented" as San Diego's first urban winery, earning it a spot on Sunset Magazine's list of "Hot 100 West Coast Trends." The winery is now located in the industrial area of La Mesa, with offsite tasting rooms nearby in the Village of La Mesa and down-

town San Diego at Seaport Village. With annual production ranging from three to four thousand cases, most of our wine is sold directly from the winery and tasting room locations, allowing a more personal connection with the people who enjoy our wines.
